

## AWNING WINDOWS

Built on the same platform as our legendary casement window Andersen® 400 Series awning windows deliver the same performance and beauty. Their solid wood frames and sash provide strength, while the vinyl covering and weather-tight construction keep the window and your home protected from the elements. On the inside you have the choice of natural pine or a low-maintenance white finish. For added style there is a wide range of grille, hardware and art glass options.

### DURABLE

- Virtually maintenance-free
- Perma-Shield® exteriors never need painting and won't peel, blister, flake or corrode\*
- Frame exterior is protected by a tough vinyl cover that resists dents and repels water and provides long-lasting protection
- Wood frame members are treated with a water-repellent preservative
- Sash is completely encased in a vinyl cover to protect the wood inside, even if the window is left open in the rain

### ENERGY EFFICIENT

- Weather-resistant construction for greater comfort and energy efficiency
- Weatherstripping is designed to seal out drafts, wind and water
- A variety of Low-E4® glass options are available to control heating and cooling costs in any climate
- Many 400 Series Awning Windows have options that achieve ENERGY STAR® version 6.0 certifications in all 50 states\*\*

### BEAUTIFUL

- Seven exterior color options
- Natural pine or white interiors
- Extensive hardware selection
- Add style with grilles, exterior trim, art glass or patterned glass

### EXTERIOR COLORS

White Canvas Sandtone Terratone Forest Green Dark Bronze Black¹
