

## Double-Hung Windows

Andersen® A-Series double-hung windows provide the authentic appearance of the traditional architecture, including a tall bottom rail, a spoon-style lock and the look of mortise-and-tenon joints. A-Series double-hung windows are available with all of our energy-efficient glass options. Their exteriors are virtually maintenance-free and a sophisticated one-touch release allows their sash to tilt in for easy glass cleaning from inside your home.

### **DURABLE**

- Virtually maintenance-free
- Exterior finish never needs painting and won't flake, rot, blister, peel or corrode\*
- Exteriors are protected by a Fibrex material and fiberglass to protect against the elements

### **ENERGY-EFFICIENT**

- Weather-resistant construction for greater comfort and energy efficiency
- Weatherstripping is designed to seal out drafts, wind and water
- Many A-Series double-hung windows have options that achieve ENERGY STAR® Version 6.0 certifications in all 50 states†

### **BEAUTIFUL**

- Eleven exterior color options and six wood species, three painted and six finished interior options
- Extensive hardware selection, grilles, between-the-glass art glass or patterned glass

\* Actual wood is sapele, a non-endangered species of mahogany, grown in Africa, with color and characteristics of American mahoganies.

Printing limitations prevent exact duplication of colors and replication of finishes. See your Andersen supplier for actual color and finish samples. Naturally occurring variations in grain, color and texture of wood make each window one of a kind. All wood interiors are unfinished unless a painted interior is specified.
