

## Double-Hung Windows

Andersen® E-Series double-hung windows come in custom colors, unlimited interior options and dynamic sizes and shapes. Every E-Series double-hung window is made to your exact specifications, giving you unmatched freedom.

### **DURABLE**

- Virtually maintenance-free
- Exterior thick extruded cladding resists the elements of inclement weather, abrasion and impact.\*
- Solid wood interiors in infinite possibilities for the strength your design needs in the finish

### **ENERGY-EFFICIENT**

- Weather-resistant construction for greater comfort and energy efficiency
- Weatherstripping is designed to seal out drafts, wind and water
- A variety of Low-E4® glass options are available to control heating and cooling costs in any climate
- Many E-Series double-hung windows have options that achieve ENERGY STAR® Version 6.0 certifications in all 50 states†

### **BEAUTIFUL**

- Fifty standard exterior colors, seven anodized finishes and custom colors
- Ten distinctive wood species, eleven interior finishes and custom interiors
- Extensive hardware selection, grilles, between-the-glass art glass or patterned glass

**Interior Finish Options**

**EXTERIOR COLOR OPTIONS**

**HARDWARE FINISH OPTIONS**

**Sash Locks**

**Sash Lifts**

\*Actual wood is sapele, a non-endangered species of mahogany, grown in Africa, with color and characteristics of American mahoganies.

Printing limitations prevent exact duplication of colors and replication of finishes. See your Andersen supplier for actual color and finish samples. Naturally occurring variations in grain, color and texture of wood make each window one of a kind. All wood interiors are unfinished unless a painted interior is specified.
